

Motion and the Asset Purchase Agreement and (iii) have taken all corporate action necessary to authorize and approve the Sale and the consummation by the Debtors of the transactions contemplated thereby.

F. The Debtors have demonstrated sound business justifications for the Sale and the other transactions and actions contemplated by the Motion pursuant to section 363(b) of the Bankruptcy Code.

G. Each of the Sale, the Management Agreement and the Asset Purchase Agreement were negotiated, proposed and agreed to by the Debtors and the Buyer as parties thereto without collusion, in good faith, and from arm's-length bargaining positions. The Buyer is a good faith purchaser under section 363(m) of the Bankruptcy Code and, as such is entitled to all of the protections afforded thereby.

H. The consideration provided by the Buyer for the Purchased Assets (i) is fair and reasonable, (ii) is the highest or otherwise best offer for the Purchased Assets and (iii) will provide a greater recovery for the Debtors' creditors and other interested parties than would be provided by any other practically available alternative.

I. The transfer of the Purchased Assets to the Buyer under the Sale and the Asset Purchase Agreement will be a legal, valid, and effective transfer of such Purchased Assets, and will, upon the occurrence of the Closing (as defined in the Asset Purchase Agreement), vest in the Buyer all right, title and interest of the Debtors in the Purchased Assets free and clear of all Encumbrances and interests other than the Permitted Encumbrances (in each case, as defined in the Asset Purchase Agreement) (collectively, the "Interests") including, but not limited to, those (i) that purport to give to any party a right or option to give any of the foregoing in the future, any sale or contingent sale or title retention agreement or lease, or termination of the Debtors' or

the Buyer's interest in the Purchased Assets, or any similar rights, and (ii) relating to taxes arising under or out of, in connection with, or in any way relating to the operation of the Debtors' businesses prior to the Closing Date (as defined in the Asset Purchase Agreement).

J. The transfer of the Purchased Assets to the Buyer free and clear of all Interests will not result in any undue burden or prejudice to any holders of any Interests since all such Interests of any kind or nature whatsoever shall attach to the net proceeds of the Sale (the "Sale Proceeds") in the order of their priority, with the same validity, force and effect which they now have as against the Purchased Assets, subject to the Carveout (as defined in the Final Order Authorizing Debtors In Possession to Enter Into Post-Petition Credit Agreement and Obtain Post-Petition Financing Pursuant to Section 363 and 364 of the Bankruptcy Code, and Providing Adequate Protection and Granting Liens, Security Interests and Superpriority Claims, dated May 14, 2001 and entered in these cases) and to any claims and defenses the Debtors or other parties may possess with respect thereto.

K. The Buyer would not consummate the transactions contemplated by the Sale, thus adversely affecting the Debtors, their estates, and their creditors, if the Sale of the Purchased Assets to the Buyer was not free and clear of all Interests of any kind or nature whatsoever, or if the Buyer would, or in the future could, be liable for any such Interests and if the assignment of the Purchased Assets could not be made under section 363 of the Bankruptcy Code.

L. The Debtors may sell the Purchased Assets free and clear of all Interests of any kind or nature whatsoever because, in each case, one or more of the standards set forth in section 363(f) of the Bankruptcy Code has been satisfied. Those (i) holders of Interests and (ii) non-debtor parties who did not object, or who withdrew their objections, to the Sale, the Sale of the Purchased Assets or the Motion are deemed to have consented pursuant to Bankruptcy Code

section 363(f)(2). Those holders of Interests fall within one or more of the other subsections of Bankruptcy Code section 363(f) and are adequately protected by having their Interests, if any, attach to the proceeds of the Sale ultimately attributable to the property against or in which they claim or may claim an Interest. Notwithstanding anything contained herein or in the Asset Purchase Agreement to the contrary, the Sale of the Purchased Assets is subject to the consent of the DIP Lenders.

M. Due to the regulated environment in which certain of the Purchased Assets are operated, the entry of this Sale Order is necessary to ensure the uninterrupted provision of services to customers of the Debtors (the "Customers") during the period in which the Buyer and the Debtors seek to comply with the applicable federal and state regulatory laws and to enter into contractual or other legal arrangements necessary for the consummation of the Sale, the transfer of the Licenses (as defined below) to the Buyer and the operation of the Purchased Assets by the Buyer (the "Compliance Items").

N. Approval at this time of the Sale, the Asset Purchase Agreement and the Management Agreement, and all the transactions contemplated thereby and hereby (including the Regulatory Transition Process) is in the best interests of the Debtors, their creditors, their estate and other parties in interest.

NOW THEREFORE, BASED UPON THE FOREGOING FINDINGS OF FACT, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED, EFFECTIVE IMMEDIATELY, THAT:

1. The Motion is granted, as further described herein.
2. All objections to the Motion or the relief requested therein that have not been withdrawn, waived, or settled, and all reservations of rights included therein, are overruled on the merits, provided, however, that nothing herein shall alter or impair the rights of any party

that has filed and served a timely objection to dispute the amount of a cure payment listed on an applicable Cure Notice, which rights are specifically reserved and which disputes shall be resolved either consensually or, as necessary, by further order of the Court. Notwithstanding anything in the Motion, the Asset Purchase Agreement or this Sale Order to the contrary, the Debtors shall not be authorized to assume and assign any executory contract(s) between any of the Debtors and the United States General Services Administration (the "GSA") without the prior consent of a person authorized to act on behalf of the GSA to the extent such consent is required by any contract or applicable law.

3. The Asset Purchase Agreement substantially in the form attached as Exhibit A to the Notice of Filing of Asset Purchase Agreement, dated December 18, 2001 (including all exhibits, schedules and annexes thereto), and all of the terms and conditions thereof, are hereby approved.

4. Pursuant to section 363(b) of the Bankruptcy Code, the Debtors are authorized to consummate the Sale of the Purchased Assets, pursuant to and in accordance with the terms and conditions of the Asset Purchase Agreement, to enter into the Management Agreement and to implement the Regulatory Transition Process.

5. The Debtors are authorized to execute and deliver, and are empowered to perform under, consummate and implement, the Asset Purchase Agreement, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Asset Purchase Agreement (including the Management Agreement), and to take all further actions as may be requested by the Buyer for the purpose of assigning, transferring, granting, conveying and conferring to the Buyer or reducing to possession, the Purchased Assets, or as may be necessary or appropriate to the performance of the obligations as contemplated by

the Asset Purchase Agreement, including without limitation the implementation of the Regulatory Transition Process. Notwithstanding anything in the Motion, the Asset Purchase Agreement or this Sale Order to the contrary, the Buyer assumes no employee liabilities that arose prior to the Closing Date, including any accrued but unbilled liabilities.

6. The transfer of the Purchased Assets to the Buyer pursuant to, and subject to the terms of, the Asset Purchase Agreement shall constitute a legal, valid and effective transfer of the Purchased Assets, and shall, upon the occurrence of the Closing, vest in the Buyer all right, title and interest of the Debtors in and to the Purchased Assets to be acquired by such Buyer free and clear of all Interests of any kind or nature whatsoever, with all such Interests to attach to the Sale Proceeds in the order of their priority, with the same validity, force and effect which they now have as against the Purchased Assets, subject to the Carveout and to any claims and defenses the Debtors or other parties may possess with respect thereto.

7. In consideration for the Purchased Assets, and subject to the terms and conditions of the Asset Purchase Agreement, the Buyer shall assume the Assumed Liabilities (as defined therein) and, on the Closing Date, shall irrevocably (i) pay, at the Debtors' election, exercised prior to the Closing Date, (x) an amount in cash equal to \$38,000,000 (the "Cash Payment") or (y) an amount in cash equal to \$30,000,000 and cause to be issued to the Debtors a number of shares of Class B common stock of IDT Corporation, having a value equal to \$12,500,000 based on the average closing price of such stock during the seven trading day period ended December 14, 2001 (the "IDT Shares", and together with the \$30,000,000, the "Cash/Stock Payment"), and (ii) issue to the Debtors such number of shares of common stock of the Buyer, representing 5% of the outstanding shares of Buyer Common Stock as of the date hereof, all in accordance with the terms and conditions of the Asset Purchase Agreement.

Pursuant to the Escrow Agreement (as defined in the Asset Purchase Agreement), which is hereby approved, on or before the date of this Sale Order, the Buyer shall deliver or shall have delivered the Cash Payment to the Escrow Agent (as defined in the Asset Purchase Agreement) to be held in escrow pending Closing. On the Closing Date, the Debtors and the Buyer shall instruct the Escrow Agent to promptly release the Escrow Amount (as defined in the Asset Purchase Agreement) to an account or accounts designated by the Debtors, on behalf of the Debtors in accordance with the terms of the Escrow Agreement. Such account shall be an interest-bearing account in the name of one or more of the Debtors established at Citibank, N.A. for the purpose of receiving such funds (the "Proceeds Account"). The Sale Proceeds shall be maintained in the Proceeds Account and shall not be distributed to any party in interest, including professionals and secured parties, pending further order of the Court following notice and a hearing. Accrued interest on such funds shall constitute part of the Sale Proceeds available for distribution. The Buyer shall have no claim whatsoever to or against any of the funds in the Proceeds Account or to the IDT Shares or the Buyer Common Stock subsequent to the Closing. Any allocation of the Purchase Price agreed to by the Debtors and the Buyer shall not be binding on any other party.

8. On the Closing Date, the Buyer and the Debtors shall enter into the Management Agreement, and the Buyer shall deposit into an account at Citibank, N.A. (the "Operating Account") an amount in cash equal to \$60 million in immediately available funds, to be used from and after the Closing Date through and including the Cutoff Date (as defined in the Management Agreement) exclusively to pay all costs set forth in subsection 3.1(a) of the Management Agreement. In the event that the Buyer shall fail to pay, as and when due, any such costs and the Debtors shall be held liable therefore, the Buyer hereby agrees to indemnify the

Debtors for all such costs. In the event that any funds shall be on deposit in the Account (as defined in the Management Agreement) after the Cutoff Date, and all accrued and unpaid costs required to be paid in accordance with the Management Agreement shall have been paid, any balance may, upon five (5) days' written notice to the Debtors, the Agent for the Postpetition Lenders and such telecommunications service providers that shall send written request to the Buyer requesting such notice and the Buyer shall provide such notice to each party to the extent such party shall continue to provide services to the Debtors or the Buyer, be withdrawn by the Buyer.

9. Except as expressly permitted or otherwise specifically provided for in the Asset Purchase Agreement or this Sale Order, effective upon the occurrence of the Closing, all persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax and other regulatory authorities, lenders, trade and other creditors holding Interests (including but not limited to any claims under any applicable revenue, pension, ERISA, tax, labor, environmental or natural resource law, rule or regulation, or any products liability law) of any kind or nature whatsoever against or in the Debtors or the Purchased Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinated), arising under or out of, in connection with, or in any way relating to, the Debtors, the Purchased Assets, the operation of the Debtors' businesses prior to the Closing Date of the Sale of the Purchased Assets, or the transfer of such Purchased Assets to the Buyer, hereby are forever barred, estopped, and permanently enjoined from asserting against the Buyer, its successors or assigns (to the extent allowed by law), its property, its officers, directors and shareholders or the Purchased Assets, such persons' or entities' Interests. Notwithstanding anything herein to the contrary, nothing

herein shall in any way affect or diminish any rights of the Debtors or any successor thereto (including any chapter 11 or chapter 7 trustee) with respect to obligations of the Buyer arising under the Asset Purchase Agreement, the Management Agreement or this Sale Order. This Sale Order shall be binding on the Debtors and the Debtors' estates, including, following any conversion of these cases, any successor chapter 7 estates, and any chapter 7 trustees appointed in these cases.

10. The consideration provided by the Buyer for the Purchased Assets under the Asset Purchase Agreement shall be deemed to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession or the District of Columbia.

11. Notwithstanding any provision to the contrary in this Sale Order, the Motion or the Asset Purchase Agreement, certain prototype laboratory equipment (as listed on Exhibit A hereto, the "Lab Equipment") and certain disbursement and investment accounts established in connection with the Lucent Credit Agreement (as listed on Exhibit B hereto, the "Accounts") shall be segregated from the Debtors' other assets, shall not constitute part of the Purchased Assets and shall not be included in the Sale. Nothing in this Sale Order, the Motion or the Asset Purchase Agreement shall impair or affect the rights and interests of Lucent in the Lab Equipment and the Accounts. The Buyer hereby reserves the right, subject to notice and a hearing, to seek to characterize the Lab Equipment as owned by the Debtors, and to the extent an Order so providing is entered by the court, the Lab Equipment shall constitute Purchased Assets.

12. This Sale Order (a) shall be effective as a determination that, on the Closing Date, and subject to the occurrence of the Closing, all Interests of any kind or nature whatsoever existing prior to the Closing as to the Purchased Assets transferred pursuant to the

Asset Purchase Agreement (including but not limited to any claims under any applicable revenue, pension, ERISA, tax, labor, environmental or natural resource law, rule or regulation, or any products liability law) have been unconditionally released and terminated as to such Purchased Assets, and that the conveyances described herein have been effected, and (b) shall be binding upon and shall govern the act of all entities, including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Purchased Assets.

13. Each and every federal, state and local governmental agency, department or unit is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Asset Purchase Agreement, except the FCC as regards its approval of the transfer of the Licenses.

14. Except as expressly permitted or otherwise specifically provided for in the Asset Purchase Agreement or this Sale Order in respect of the Asset Purchase Agreement or the Purchased Assets to be transferred pursuant to such Asset Purchase Agreement, the Buyer shall have no liability or responsibility for any liability or other obligation of the Debtors arising under or related to such Purchased Assets and, to the extent allowed by law, the Buyer (and its officers, managers and members) shall not be liable for any other claims against the Debtors or any of their predecessors or affiliates, and the Buyer shall have no successor or vicarious liabilities of any kind or character whether known or unknown as of the Closing Date under the Asset

Purchase Agreement, now existing or hereafter arising, whether fixed or contingent, with respect to the Debtors or any obligations of the Debtors, other than the Permitted Encumbrances, arising prior to the Closing Date under the Asset Purchase Agreement, including, but not limited to, any liabilities under any revenue, pension, ERISA, tax, labor, environmental or natural resource law, rule or regulation, or any products liability law, arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the Debtors' businesses prior to the Closing Date. After the Closing and the payment of the Purchase Price, the Buyer shall have no liability to the Debtors or their estates for any diminution in value or other damage of any kind whatsoever to the Regulated Assets or the Licenses that may result from the Buyer's operation of the Debtors' business.

15. This Court retains and shall have exclusive jurisdiction to endorse and implement the terms and provisions of the Asset Purchase Agreement, all amendments thereto, any waivers and consents thereunder, and each of the agreements executed in connection therewith (including the Management Agreement) in all respects, including, but not limited to, retaining jurisdiction to (a) compel delivery of the Purchased Assets to the Buyer, (b) compel delivery of the purchase price or performance of other obligations owed to the Debtors, (c) resolve any disputes arising under or related to the Asset Purchase Agreement, and (d) interpret, implement, and enforce the provisions of the Asset Purchase Agreement and this Sale Order.

16. The transactions contemplated by the Asset Purchase Agreement are undertaken by the Buyer in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale of any Purchased Assets shall not affect the validity of the Sale of such Purchased Assets to the Buyer, unless such authorization is duly stayed pending such

appeal prior to the Closing with respect to such Purchased Assets. The Buyer is a purchaser in good faith of the Purchased Assets, and the Buyer is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

17. The terms and provisions of the Asset Purchase Agreement and this Sale Order shall be binding in all respects upon, and shall inure to the benefit of, the Debtors, their estates, and their creditors, the Buyer and their respective affiliates, successors and assigns and any affected third parties (including, but not limited to, all persons asserting Interests in the Purchased Assets to be sold to the Buyer pursuant to the Asset Purchase Agreement), notwithstanding any subsequent appointment of any trustee(s) under any chapter of the Bankruptcy Code, as to which trustee(s) such terms and provisions likewise shall be binding.

18. The failure specifically to include any particular provisions of the Asset Purchase Agreement in this Sale Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Court that the Asset Purchase Agreement be authorized and approved in its entirety. To the extent that any provision of this Sale Order is inconsistent with the Asset Purchase Agreement or the Management Agreement, the terms of this Sale Order shall control.

19. The Asset Purchase Agreement and any related agreements, documents or other instruments may be modified, amended or supplemented by the parties in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtors' estates and is, if occurring prior to the Closing Date, approved by counsel for each of the Creditors' Committee, the agent for the lenders under the Pre-Petition Credit Agreement, and the agent for the lenders under the DIP Credit Agreement. The Debtors shall also notify counsel for Lucent of any

modification, amendment or supplement to the Asset Purchase Agreement and, if such modification, amendment or supplement impairs or adversely affects Lucent's rights as a secured creditor in these chapter 11 cases, shall obtain Lucent's prior consent thereto.

20. The transfer of the Purchased Assets pursuant to the Asset Purchase Agreement, and the transactions contemplated thereby constitute steps toward the formulation, or in anticipation of the formulation of, a chapter 11 plan for the Debtors and as such, in accordance with section 1146(c) of the Bankruptcy Code, the making or delivery of any instrument of transfer to effectuate the Asset Purchase Agreement and the transactions contemplated thereby shall not be taxed under any law imposing a stamp tax or a sale, transfer or any other similar tax, and the recordation of any instruments (including bills of sale, leases, assignments and amendments thereto) to evidence the Sale of the Purchased Assets shall not be subject to any such tax.

21. All of the Debtors' interests in the Purchased Assets to be acquired by the Buyer under the Asset Purchase Agreement shall be, as of the Closing Date and upon the occurrence of the Closing, transferred to and vested in the Buyer. Upon the occurrence of the Closing, this Sale Order shall be considered and constitute for any and all purposes a full and complete general assignment, conveyance and transfer of the Purchased Assets acquired by the Buyer under the Asset Purchase Agreement and/or a bill of sale or assignment transferring good and marketable, indefeasible title and interest in the Purchased Assets acquired by the Buyer under the Asset Purchase Agreement to the Buyer.

22. As of the Closing Date, the Buyer shall be hereby granted immediate and unfettered access to the Purchased Assets (other than the Licenses) acquired by the Buyer.

#### Regulatory Transition Process

23. The Debtors and the Buyer shall have a period (the "Regulatory Compliance Period") of one hundred-twenty (120) days (subject to extension) from the Closing Date to obtain the requisite federal and state regulatory approvals necessary to operate the Business and to enter into contractual or other legal arrangements necessary for the consummation of the Sale, transfer of the Licenses and the Regulated Assets (as defined below) to the Buyer and the operation of the Purchased Assets by the Buyer (the "Compliance Items"). In order to ensure the uninterrupted provision of services to the Customers during the Regulatory Compliance Period, and the orderly transfer of the Licenses and, to the extent required by any other applicable law, any other assets subject to similar transfer restrictions (the "Regulated Assets") to the Buyer, the Buyer, the Debtors and all providers of goods and services to the Debtors, including but not limited to the common carrier service providers that provide services to the Debtors and any landlords of properties used by the Debtors (the "Service Providers") are hereby authorized and directed as follows:

- a. As soon as practicable following the entry of this Sale Order, the Debtors and the Buyer are directed to file such applications as are required to seek the federal and state regulatory authority necessary for the Debtors to assign, and the Buyer to acquire, own and operate, the Licenses and the Regulated Assets.
- b. On the Closing Date, the Buyer and the Debtors are directed to enter into a Management Agreement substantially in the form appended as Exhibit E to the Asset Purchase Agreement, pursuant to which the Buyer shall be entitled to manage and operate the business of the Debtors during the Regulatory Compliance Period on the terms and conditions set forth therein.
- c. From the Closing Date to the Cutoff Date, all agreements and other arrangements with Service Providers relating to the Debtors providing service to Customers shall, subject to compliance with paragraph (d) below, remain in effect and

may not be canceled or terminated, and absent an event of default occurring after the Closing Date in respect of facts arising after the Closing Date that has not been cured within three (3) business days after written notice (by email and facsimile) thereof has been received by the Buyer (Attention: Chief Financial Officer, email: [steveb@corp.idt.net](mailto:steveb@corp.idt.net), facsimile: 973-438-1414, and McDermott, Will & Emery, Attention: David C. Albalah, Esq., email: [dalbalah@mwe.com](mailto:dalbalah@mwe.com), facsimile: 212-574-5444), no Service Provider shall reduce or otherwise alter in any adverse manner its performance under any such agreement(s) or arrangement(s) until the Cutoff Date.

d. The Buyer shall be responsible for, and is directed to pay on a timely basis, all charges incurred for services used by the Debtors to provide services to the Customers from the Closing Date to the Cutoff Date, including all charges incurred with respect to Service Providers. The rates charged by Service Providers for such services shall not exceed the rates for those services in effect as of the date of this Sale Order. Neither the Debtors or Buyer shall have any obligation or liability for services not actually being utilized and each Service Provider shall, upon written notice from the Debtors and the Buyer, immediately and without charge or further liability of any kind discontinue and disconnect any such services provided to the Debtors and/or the Buyer.

e. The Buyer is further authorized to promptly establish such contractual or other legal arrangements as the Buyer and the Debtors deem necessary to operate the Debtors' assets and to provide service to Customers (including interconnection and other common carrier service agreements with Service Providers) and that will permit Buyer to provide service to Customers in a manner similar to the manner in which the Debtors provided such service prior to the date of this Sale Order and that will enable the Customers to continue to receive service in an uninterrupted and transparent manner.

f. During the 120-day period commencing on the Closing Date, in the event that any contract with any Service Provider that is a telecommunications carrier shall be rejected: (i) no termination liabilities shall arise; (ii) such telecommunications carrier

shall provide telecommunications services in accordance with, and to the extent required by, applicable law in a non-discriminatory manner; and (iii) such telecommunications carrier will charge the Buyer for replacement circuits the lower of actual costs and tariff rates to set up or establish such replacement circuits.

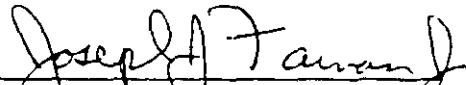

24. The Buyer is hereby directed to pay all costs of the ongoing operations of the Business in accordance with the Management Agreement. The Buyer shall have the ability during the Regulatory Compliance Period to direct the Debtors to seek the entry of one or more orders of the Court authorizing the Debtors to assume and assign to the Buyer any executory contract or unexpired lease to which the Debtors are a party, provided that the Buyer shall be solely responsible for paying any cure payment that is payable in connection with any such assumption and assignment. The Buyer shall have the ability during the Regulatory Compliance Period to direct the Debtors to reject any executory contract or unexpired lease to which the Debtors are a party provided that the Buyer must elect whether to assume and assign or reject any contracts with the GSA and must provide written notice of such election to the GSA on or before January 2, 2002. The Debtors may effect any such rejection by delivery of two (2) business days prior written notice (and the irrevocable waiver of the right to withdraw such notice) to the non-Debtor party to any such executory contract or unexpired lease of the Debtors' unequivocal intent to reject such executory contract or unexpired lease. In the event that the Buyer elects to reject any contract on account of which a prepayment has been made pursuant to Section 3.1(a) of the Management Agreement, the counterparty to such contract shall be obligated to refund promptly to the Buyer (without setoff or counterclaim) the unused portion of such prepayment and in the event of any dispute with respect thereto, the Buyer reserves the right to seek adjudication in the Bankruptcy Court. In the event that the Buyer elects rejection of

some or all of Debtors' contracts with the GSA, the Buyer agrees that it will continue to provide telecommunications services to GSA until GSA has received sixty (60) days' notice of discontinuance, or such longer period as the FCC requires. In all other respects, the Buyer shall manage the operations of the Business and shall be responsible for such operation pursuant to the terms and subject to the conditions of the Asset Purchase Agreement and the Management Agreement. The period within which the Debtors may elect to assume or reject unexpired leases of nonresidential real property under Bankruptcy Code section 365(d)(4) is hereby extended through the duration of the Term.

25. Upon receipt of the required regulatory approvals and establishment of the necessary service agreements and arrangements, the Debtors are authorized to convey the Licenses and the Regulated Assets to the Buyer, in accordance with the terms and conditions of the Asset Purchase Agreement and the Management Agreement.

26. As provided by Rules 6004(g) and 6006(d) of the Federal Rules of Bankruptcy Procedure, the effectiveness of this Sale Order shall not be stayed for 10 days after entry on the docket and shall be effective and enforceable immediately upon such entry. The Buyer and the Debtors shall consummate the Sale as promptly as is practicable following Court approval of this Sale Order, so long as no stay of this Sale Order has been entered and is continuing.

In the Matter of Qwest Corp. and Winstar  
Communications, LLC, Adoption Letter for  
Previously Approved Interconnection Agreement

PUC Docket No. P421,5246/  
IC-02-324

---

**AFFIDAVIT OF LARRY CHRISTENSEN**

---

STATE OF COLORADO            )  
  ) ss.  
COUNTY OF DENVER            )

I, Larry Christensen, being first duly sworn on oath, depose and state as follows:

1. I am currently employed as Director of Business Policy, Wholesale Division, for Qwest Corporation ("Qwest"). My business address is 1801 California Street, 23<sup>rd</sup> Floor, Denver, Colorado 80202.

2. In my capacity as Director of Business Policy, I am responsible for overseeing the management, negotiations and approval of Interconnection Agreements.

3. My organization receives requests from competitive local exchange carriers ("CLECs") to enter into Interconnection Agreements with Qwest under the Telecommunications Act of 1996 ("the Act"). This may include a CLEC request to opt into a preexisting interconnection agreement in accordance with § 252(i) of the Act. A typical CLEC opt-in request does not require any negotiation and is handled by Qwest as a matter of routine: (i) The CLEC and Qwest sign a letter agreement wherein the parties accept the terms and conditions of the interconnection agreement being opted into, and (ii) the letter agreement is submitted to the appropriate state commission for approval.

4. On or about January 30, 2001, my organization received a letter from Kathleen L. Greenan, Counsel for Winstar Communications, LLC, of Swidler Berlin Shereff Friedman, LLP, to request that Qwest enter into an interconnection agreement with Winstar Communications, LLC ("Winstar"). Specifically, Winstar wished to opt

into the interconnection agreement between Sprint Communications Company LP and Qwest Corporation fka U S WEST Communications, Inc. in its entirety.

5. Relying on Winstar's letter and the determination that the existing "Winstar" agreement between Qwest and Winstar Wireless, Inc. (which I now understand to be changing its name to Winstar Communications, LLC) was being managed as month-to-month agreement, my organization and I handled Winstar's request as a routine opt-in agreement. I executed standard letter agreement ("Opt-in Letter"), and forwarded the Opt-in Letter onto local Qwest counsel for filing with the Minnesota Public Utilities Commission.

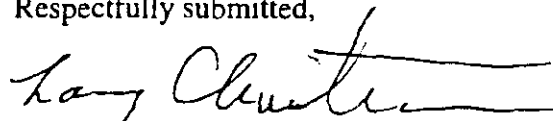

6. Subsequent to executing the Opt-in Letter, I became aware that Winstar was associated with IDT Winstar Acquisition, Inc., and that, pursuant to an ongoing bankruptcy proceeding, these entities were subject to orders of the bankruptcy court that could restrict the ability of Winstar to enter into a new interconnection agreement with Qwest.

7. At no time did any Winstar representative mention the bankruptcy proceeding, nor suggest that the request to enter into an Interconnection Agreement with Qwest was subject to any prior condition, order, or agreement, or, in fact, was anything other than a routine update of a month-to-month agreement.

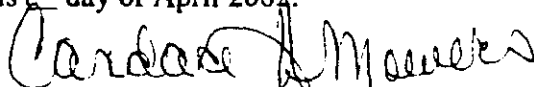

8. Had I been aware that Winstar was subject to an order of the bankruptcy court or otherwise subject to special conditions with regard to entering into new Interconnection Agreements, I would not have handled Winstar's request as a routine matter. I would have contacted Qwest's bankruptcy counsel to further discuss the bankruptcy proceeding and its implications on Winstar's request to enter into an Interconnection Agreement with Qwest before executing the Opt-in Letter.

Dear Ms. Doherty and Ms. Schuzer:

On behalf of Winstar Communications, LLC and Winstar of Arizona, LLC (collectively, "Winstar"), this letter is to advise you that Winstar desires Qwest to transition to Winstar the circuits identified in the attached initial list. The customers whose service is associated with these circuits are in the process of being acquired by Winstar from Winstar Wireless, Inc. ("WWI") pursuant to an Order of the Bankruptcy Court, and Winstar will serve these customers as their preferred carrier of choice. In accordance with the Communications Act of 1934, as amended, and the Bankruptcy Court Order, Winstar requires the use of these circuits to serve its customers and, accordingly, submits this notice to obtain such circuits from Qwest.

Although Winstar is in the process of finalizing an interconnection agreement(s) with Qwest and obtaining the necessary regulatory approvals to transfer the customers without disrupting their service, and to operate in all of the Qwest Service Areas as a competitive local exchange carrier, Winstar is providing this initial list of circuits and notice of its intention to obtain these circuits to Qwest at this time in order to assure that the transition will be handled expeditiously. Winstar will advise Qwest as soon as the necessary agreements and approvals are obtained. Also, Winstar will advise Qwest of any changes or additions in the attached circuit list.

Winstar believes the provisioning of these circuits will not require any physical changes in the network configuration being used to serve these customers today, and requires only that Qwest change the billing information associated with the listed circuits (a billing change only or "Record Order") in order to undertake the transition of these circuits to Winstar. Winstar is providing this advance notice and information to assist Qwest in developing a streamlined process to transition the large number of affected circuits on a
